Historic Rotary International Convention Adjourns in Birmingham, England

World-renowned humanitarians and entertainers were just some of the highlights during the historic 100th RI Convention in Birmingham. More than 16,000 Rotarians from 150 countries celebrated fellowship, commemorated Rotary's history, and focused on the future.

Mike and Kathy Herder and Dick and Marty Wyatt attended the convention.

RI President John Kenny from Scotland emphasized the important role of individual Ro-

tarians, "The future of Rotary is being decided every day, in every one of our clubs -- by every one of you," Kenny said.

"Every Rotarian adds fresh ideas and energies to their clubs and their districts. Each one of you can make important contributions and pass on to

your successors stronger clubs, healthier communities, and a better world."

Dick and Marty went to a charming English Pub on Home Hospitality night where they were hosted by the Rotary Club of Shipston on Stour. They enjoyed an

evening of frolic including folk dancers and these actors who performed adaptations from Canterbury Tales and one scene from "The Taming of the Shrew".
