Madera Municipal Golf Course—Tuesday Noon

Merced to Merida

David Glasgow was selected by District 5220 as our 2009 Ambassadorial Scholar to Venezuela. He was sponsored by the Rotary Club of North Merced.

The Rotary Foundation Ambassadorial Scholarships program is the world's largest privately

funded international scholarships program. In 1947, 18 Rotary Fellows from 11 countries were selected to serve as ambassadors of goodwill while studying in another country for one academic year. Since that time, the program has expanded to more than 37,000 scholarships for people studying in 105 countries in the world.

David says, "As a Rotary Ambassadorial Scholar from Rotary District 5220, I am working to carry out Rotary's mission of promoting international goodwill and un-

derstanding of all things Venezuelan while sharing my experiences as a proud American."
